

# Active Subscriber

Software by ReddFish Intergalactic

## End User Licence Agreement

EULA version 2.02

In this agreement "Active Subscriber" means the version of the Active Subscriber software that was current at the date of purchase.

Anyone may download and make copies of Active Subscriber and install it for evaluation purposes for a period of one calendar month, after which an appropriate licence must be purchased or Active Subscriber must be uninstalled forthwith.

The purchaser of a *Single Server Edition* licence may install and use Active Subscriber on one computer. The purchaser of an *Enterprise Edition* licence may install and use Active Subscriber on any number of computers providing those computers are all members of the same Active Directory forest.

There is no annual or other recurring fee to use the Active Subscriber software but for upgrading to a new version of Active Subscriber purchase of an upgrade licence fee may be required.

To the extent allowable by law, ReddFish Intergalactic Limited shall not be liable for any losses or damage caused by use of the Active Subscriber software.

Intellectual property in the Active Subscriber software remains with ReddFish Intergalactic Limited.

This agreement may be varied by arrangement with ReddFish Intergalactic Limited.

This agreement is governed by the laws of New Zealand.
